## OUR STORY

Founder, Paul Hyland, was lucky early. At 14 he got his first job in the local nursery, stumbling almost by accident on “his thing” - plants. By age 21 he was a rose grower and the journey that would lead to Glasshaus was well underway.

First established in Stanley St, Richmond, what started out as a nursery, has grown into four venues that celebrate a passion for all things botanical. More than a florist, a nursery and unique places to hold weddings and events, Glasshaus is a creative team with a passion for flowers, plants and creating everlasting memories.

## OUR VENUES

Our spaces are simply unique - they transcend their resting disposition to transform into breathtaking settings for events.

Our venues Glasshaus Inside, Glasshaus Outside and Glasshaus Brücke, are beautifully styled with an abundance of plants and foliage, creating an entrancing atmosphere to surprise and delight your guests.

Our venue collection can cater for intimate weddings of 50 or epic celebrations for 220. Conveniently located within a 1.5km radius, our venues can be used as a stand-alone space or can be combined to host different elements of your wedding for a progressive experience.

Whichever venue you choose, we invite you to make the space entirely yours for the duration of your wedding.

## HOW WE WORK

From a straight venue hire to curated packages, green styling and floristry, the Glasshaus team will ensure every aspect of your wedding comes together seamlessly. You can either create your own experience with our venue hire offering, selecting suppliers and a caterer you already know and love, or let us do the work by selecting one of our carefully designed dining packages.

Collaborating with some of the best people in the business, our team has the contacts and knowledge to help bring your wedding vision to life.

Our catering partner, Fourside Events, have a history of creating amazing experiences at our venues. They know our venues intimately, provide top-notch service and of course, delicious food. Our inclusive dining packages are perfect for those who would prefer one central point of contact to bring together all venue elements for your wedding.

The image shows the interior of a restaurant with a high, vaulted ceiling featuring exposed dark wooden beams. Two long, light-colored wooden tables are positioned parallel to each other, with rows of dark wooden chairs on either side. The room is filled with numerous potted plants of various sizes, including tall trees and ferns, which are placed along the walls and between the tables. Large windows at the far end of the room provide a view of the outside. A semi-transparent orange rectangular overlay is centered in the image, containing the text 'GLASSHAUS BRÜCKE' and the address '368 BRIDGE RD, RICHMOND VIC 3121'.

# GLASSHAUS BRÜCKE

It was love at first sight! Brücke was meant to be for us, and what's not to love.

On the edge of the city, this stunning neo-classical, art deco, Berlinesque delight was hiding in plain sight. Soaring ceilings, exposed beams, brutalist windows, mesmerising light and shadows reflecting the Glasshaus plant life. Our spectacular staircase is perfect for your magical “upstairs, downstairs” moments. Light and moodiness all at once, with a wink to the roaring twenties, Brücke provides an iconic setting for your wedding.
